

**PROUD PARTNER**

The right payment solution can help grow your business, increase customer loyalty, and set you apart from competitors. That's why **Innovative Marketing Solutions** has partnered with **U.S. Bank** to provide clients with innovative payment processing solutions. Whether you do business online, in-person, or on the go, U.S. Bank makes accepting credit and debit card payments quick, easy, and secure. More than a processor, their payment solutions help increase your sales, improve business operations, and control business costs.

With U.S. Bank/Elavon's innovative technology you can:

- ***Accept all payment types anytime, anywhere!***
- ***Get paid fast!***
- ***Run your business better and save money!***
